## Your benefits at VGZ Werkt

Modernising the healthcare sector is more important than ever. That's how you get the best care. Now and in the future. But we don't do it alone. For example, we also work with your employer to offer you the most suitable healthcare insurance. The main advantages of VGZ are:

**Discount** on your supplementary insurance

Extra generous reimbursements for physiotherapy, dental care and orthodontics

Up to €700 personal healthcare budget for courses and training: the prevention budget

Programs just for you in our **3 lifestyle apps** 

Discount on exercise and healthcare products, like a new bicycle

Personal support by a digital coach
